
Areas of Practice

Property Rights/Real Estate

Galvin & Morgan has extensive experience in both State and Federal property rights litigation, as well as property management advice to individuals seeking to protect or enforce their property rights. We deal with a broad range of property issues including: real estate closings, boundary disputes, eminent domain, zoning, and other various areas of law concerning land usage.

Estate Planning and Probate

Our firm provides advise to clients regarding preservation and disposition of assets. We also assist family members in the settlement of decedent's estates.

Employment Law

Employment problems arise constantly and our firm is dedicated to helping resolve these issues. We practice in the area of employment discrimination in Federal and State Courts, and have experience with New York State Human Rights proceedings.

General Civil Litigation

We offer litigation services that deal with many different kinds of law in Federal Courts and equivalent State Courts, including:

- • Tax Planning and Representation
- • Tax-Exempt Organizations
- • Civil Rights Actions
- • Health Law
- • Personal Injury
- • Products Liability
- • Professional Liability
- • Appellate Practice
- • Matrimonial Law

• Commercial Law

• Corporate Law
